PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Glades Road Work Okehed By Board

The county commission this week took steps to speed up its road program in the Glades. Commissioner Paul Rardin, Canal Point, reported to the board that the State Road Department is pushing to complete phase two and three of improvement of U. S. 27 across the county. The board approved immediate action for procurement of needed right of way for the project.

The commission also approved Rardin's request for resurfacing a portion of Airport Road—possibly a 2½ mile length if funds are available.

The commission also voted to call for bids for construction of the south four miles of Ramie Road which will complete an important farm to market link in the Glades highway system.

In another action the board voted to abandon the name Ice Plant Road and to call the entire strip of highway Airport Road.

As Usual The Band Comes Out On Top

The Pahokee High School Band under the direction of Bandmaster R. O. Lampi won all superior ratings in the District 3 Contest held at the school, Tuesday. Three state judges rendered the decision following the performance of the 49-piece band in concert, sight-reading and marching.

Judges were Harold Bachman, University of Florida; Otto Kraushaar of the University of Miami, and Paul Gustaf of Sebring.

The district contest is the preliminary for qualifying as a contestant in the Southern Division of the State Band Contest, which the Pahokee Band is now eligible to attend. The State Contest will be held this year, at Miami Beach, May 9-11. The PHS Band competes in the Class C group.

Al Lavender Named Exalted Ruler

Al Lavender was elected Exalted Ruler of the Pahokee Lodge 1638, BPOE, at the meeting held March 21, with the retiring Exalted Ruler, William Weathers, presiding. Other officers elected were R. O. Shackford, Leading Knight; Milton Salvatore, Loyal Knight; Bob McIntosh, Lecturing Knight; Perry Duke, secretary; Gordon Hillier, treasurer; Ernest Lindrose, Sr., Tiler; William Weathers, trustee for five years, and George Tucker, Jr., alternate delegate to the Grand Lodge.

It was announced that the installation of officers will take place on April 4.

Charles T. Lawson, RMSASS, of the U. S. Navy will leave Sunday for Key West where he will serve as radioman on the submarine USS Chopper, after spending his leave in Pahokee with his parents, Mr. and Mrs. Otis Lawson.

White Outside Lines Are Coming

Since the State Road Department completed the job of retreading Conners Highway between 20-Mile Bend and the intersection of SR717 (Muck City) many folks have asked why the outside white lines haven't been painted on the new pavement. County Commissioner Paul Rardin was advised yesterday that this work will be done in a few days. A paint shipment was delayed and the SRD in Fort Lauderdale says the work will be done soon.

Two Republicans To Legislature

Two Republicans will be present next Tuesday in Tallahassee as members of the Palm Beach County legislative delegation as a result of the general election held on Tuesday of this week.

The vote in Tuesday's election was as follows:

| GROUP 3 | |
|------------|--------|
| Reed (R) | 15,050 |
| Fruitt (D) | 13,781 |
| GROUP 4 | |
| Moudry (R) | 14,592 |
| Moore (D) | 13,454 |

Jerry Thomas of Lake Park represents the county in Group 1 and Emmett S. Roberts of Belle Glade represents the county in Group 2. They will be joined by the two new Republican members and State Senator Ralph Blank to make up the Palm Beach county legislative delegation.

Dixie Asphalt To Pave Glades Roads

The State Road Department in Tallahassee received bids Tuesday on three Glades road paving projects. Dixie Asphalt Company of West Palm Beach was low bidder on the three jobs at a figure of \$127,959.00.

The retreading projects include that stretch of road in Pahokee from the Baptist Church to the Woman's Club and the entire length of Muck City Road. Vinegar Bend road is the third project in the program to be retreaded.

Belle Glade PTA Objects To Bridge

In answer to a protest from the Belle Glade Jr.-Sr. High School PTA for construction of a bridge at 5th street in Belle Glade, the board instructed its attorney to answer the protest by explaining that the site had been picked by the municipality and that funds have already been earmarked for the project in a new bond issue for road improvements. If the money is not used for this particular project the money will be used to pay off a part of the bond issue from whence it came, according to law.

Mr. and Mrs. J. S. Atkins of Pelican Lake visited his relatives in Avon Park over the weekend.

Pahokee Lions To Back Boy Scouts

Members of the Pahokee Lions Club voted to renew the charter of Boy Scout Troop 628, at the luncheon meeting held Tuesday, with the president, Kyle Scott, presiding.

Plans were discussed for the Cabinet Meeting of District Deputy Governor Marlin D. Brubaker of Cocoa Beach which will be held in the Pahokee Lions Club building April 7, with some 250 Lions and their ladies attending from throughout the district. Billy R. Mosley is chairman of the committee in charge of arrangements.

It was reported that an old TV set had been given to the science class at Pahokee High School for their experiments.

The president asked for a report on those planning to attend the State Convention which will be held at Clearwater May 2-5, as the Club will elect four delegates and four alternates.

Guests attending were A. R. Harrington, Canal Point; H. B. McCall, deputy district governor; H. V. Draa, secretary of the Belle Glade Club; T. E. Hollingsworth and F. C. Schoenfeld, also of Belle Glade; Paul A. Blythstone, and Miss Heather Reed was the guest of student member, Mike Watkins.

Vegetable Meet Miami Beach Sep 23

Florida Fruit & Vegetable Association members will hold their 1963 Convention September 24 through 26, according to an announcement today by Joffre C. David, Orlando, General Manager of the association.

"The Board of Directors of FFVA has chosen these dates as being most suitable for the trade and members, generally," David reported.

"Tentative plans call for a pre-convention Golf tournament on September 23, three days of convention activities and a day of post-convention committee and allied industry meetings.

"Headquarters hotel for the meeting will be the American, at Bal Harbour, Miami Beach," David added.

Youth For Christ Program Tonight

"Splendo of Sacred Song" will be presented Friday night, at 8 p. m. at the Pahokee High School auditorium for the benefit of the Youth For Christ group of Palm Beach County.

The choral group presenting this program is composed of 24 students (both boys and girls) from colleges throughout the United States under the direction of Thurlow Spurr.

The program is highly recommended by those who saw it in Belle Glade, recently. Tickets are \$1.50 for adults and \$1.00 for students, and may be obtained from YFC Club members or at the door.

Teachers' Exam At P. B. Jr. College Apr. 5

April 5 is the last day to register for the National Teachers Examination, according to Elbert E. Bishop, Palm Beach Junior College Registrar who is in charge of the arrangements. Mr. Bishop emphasized that no late registrations could be accepted for the test which will be given in the college library on Saturday, May 4.

The Commons examination is to be administered from 8:30 'til 12:00. Persons wishing to take tests in special interest areas will also report for the afternoon session.

Four New Members For Garden Club

Four new members were inducted at the luncheon meeting Wednesday of the Pahokee Woman's Club, with the president, Mrs. C. M. Todd, presiding. New members joining the Club were Mrs. Milton Douglas, Mrs. J. F. Frick, Mrs. J. E. Williams and Mrs. Lee Wroten.

It was announced that Mrs. Robert Hutton had won second place with her painting which she entered at the Fine Arts Festival held in Delray Beach, March 14. The pictures displayed at the Festival were also on display at the Woman's Club, Wednesday.

Club members voted to participate in the Cancer Drive with Mrs. Leon Spooner acting as chairman; and they voted to assist the Jaycees with the Fair by selling ad for the pamphlet which will give the early history of Pahokee.

Miss Iva Hand was the guest of student member, Heather Reed, and Mrs. Lloyd Hundley was also a guest.

U.S.S. Corp. Ends Two Mill Season

The U. S. Sugar Corporation ended their cane grinding season this week. The mill at Clewiston was closed down on Monday of this week following a successful grinding season.

The new \$15,000,000.00 mill at Bryant was shut down on Wednesday of this week following an unusually successful first grinding season.

The annual barbecue will be held Saturday night for employees and invited guests.

Sweet Corn Group Will Meet Today

A meeting of the Florida Sweet Corn Advisory Committee has been called for 10 a. m., Friday, March 29, 1963, at the Elks Club in Pahokee, according to J. Ray Hutton, Chairman.

Purpose of the meeting was announced as being the consideration of regulations for the remainder of the marketing season.

All persons interested in the sweet corn industry are invited to be present, according to Hutton.

Judge Tyson Heads Little League

Judge J. L. Tyson was elected president of the Pahokee Little League Association at the meeting held Tuesday night at the City Hall. Other officers elected were F. S. (Dick) Parrish, vice-president; Hueston Connell, baseball commissioner, and Mrs. Joe E. Thompson, secretary-treasurer. Frank Gillis was appointed to act as chief umpire.

It was announced that application will be made for the charter for the Little League teams for the Canal Point Pahokee area. Five teams are planned, plus Farm teams, composed of 8-year-old boys.

The Pony League will remain as it was last year, playing games with Belle Glade and South Bay.

The announcement was made that boys could start registering Wednesday, March 27, and all cards must be turned in at Principal Brooks Henderson's office at the High School by Tuesday, April 2. The officials request the cards be turned in by this date so plans can be completed for opening the season on the first Monday in May.

The Pony League will play their games on Monday and Thursday nights; the Little League on Tuesday and Friday nights, and the Farm teams on Wednesday nights, but they will also play double headers with both Leagues. On school nights, only one game will be played. Double headers will be featured on Friday nights.

It was reported that the Association has a fund of \$1391.00 on hand.

The president announced that a meeting of the coaches and officials will be held at the City Hall at 8 p. m. on April 2.

Mental Health Is County Problem

Possibility that Palm Beach County may get financial aid from outside sources to help finance expanded hospital facilities was voiced Tuesday at the county commission meeting.

Representatives of the Palm Beach County Mental Health Association said the group already had some funds available for hospital construction if it was earmarked for a hospital wing to treat mentally ill.

The Association said it is ready to conduct an extensive fund raising drive which could help step up the long range program which the county has for hospital construction.

The board and mental health representatives decided to continue studying the possibility of outside funds being given to the county. Any immediate action, the two groups decided, should be held in abeyance until after the upcoming legislative session where new bills, if passed, would help solve some of the problems attendant to providing facilities for treatment of mentally disturbed patients.

The Farm Front

The number of farms in the U. S. is continuing to decline.

In 1961 the total was 3,811,000. In 1962 the number had slipped to 3,688,000. This year is expected to see a further shrinkage to 3,580,000.

However, the total acreage in farming is down only moderately. The trend toward fewer farms is the result of farmers enlarging their holdings.

In the meantime, the number of farmers and farm workers is continuing to decline. According to estimates of the U. S. Department of Labor, the total compared with 1960 will be down about 22 percent by 1970 at 4.2 million.

One of the nation's outstanding scientists has suggested some astonishing developments in the future for agriculture.

Dr. Glen T. Seaborg, chairman

of the Atomic Energy Commission, said recently biologists may learn how to create new plant and animal species to produce food at a much higher rate of efficiency than now possible.

Instead of obtaining meat from livestock for which feed crops must be raised, Seaborg said, agricultural engineers of the future may develop new forms of life to convert sunlight and carbon dioxide more directly into milk and meat.

Closer at hand, however, is the progress being made in reducing the time a housewife has to spend preparing food for her family.

Dr. Edward A. Nebesky, Rutgers University extension specialist in food science and marketing, suggests that within 5 to 6 years, homemakers will spend only 9 minutes a day preparing food for a family of 4, compared with 90 minutes a day at the present and about 330 minutes daily a generation ago.

Nebesky predicts foods of the future will include breakfast cereals packaged with fresh frozen strawberries and pancakes with "built-in" sausages, all made possible with meats, fruits and other foods preserved by new freeze-drying methods.

Chemurgic Digest reports a new "tanning" process has put the lowly chicken feather in a class with domestic duck and goose down for buoyancy, resiliency, washability and warmth.

The new process, heading into commercial production, was developed at the request of the U. S. Quartermaster Corps because of the Army's need for large quantities of down for arctic sleeping bags.

The tanned chicken feathers are said to stay curled and interlock with each other for a resilient body of stuffing that holds its shape within a pillow or sleeping bag even when washed. In addition, the processed feathers are vermin proof, dustless, odorless and non-allergenic.

Supplies of duck down were cut off when embargoes stopped trade with major sources in Red China.

Visitors to the U. S. Department of Agriculture in Washington this spring will see an unusual exhibit. It will feature the number of careers available in farming and related work in science and industry that farming makes possible.

To be on display from April 15 through May 15 in the USDA patio, the exhibition is designed for the thousands of young people who visit the Capital in the springtime. Titled "23,000,000 Jobs," it will cover not only the private jobs which agriculture provides, but also government work at home and abroad.

Manufactured feeds in the U. S. scored another record high in 1962 at 44 million tons. That was a 4 per cent increase over the previous year. The largest percentage increase was in the Pacific region with a 15 per cent gain, according

to the American Feed Manufacturers Association. The Southeast marked its 14th consecutive year of increased production.

AFMA noted that poultry feeds have been decreasing in recent years as a percentage of total feeds manufactured. A major reason for the drop, it said, has been the decrease in egg-type feeds used, from 34 per cent to 27 per cent of all manufactured feeds in the past ten years.

According to AFMA, per capita consumption of eggs has slipped from 392 in 1951 to a forecasted low of 317 for this year.

3 Teams Hold 1,000 Rating In League

Already there are strong indications of which teams have it and which are the also-rans as the Suncoast Conference baseball campaign gets into its third week which will be one of the heaviest of the spring in league contests.

Ft. Pierce and Forest Hill collectively have faced 11 opponents without suffering a defeat which may mean that their April 5 clash in West Palm Beach will be the pennant decider. The Dan McCarty Eagles have stopped four successive opponents after an initial tie at Melbourne. Forest Hill has won six straight, with both clubs now being 2-0 in Suncoast play.

Their primary concern may be Riviera Beach which made an impressive start last week. Ft. Pierce finds out in a hurry when the Eagles call on Riviera on Tuesday's four-game card. Vero visits Palm Beach Monday to start the week's action. Also slated Tuesday afternoon are Lake Worth at Clewiston, Pahokee at Belle Glade and Seacrest at Forest Hill.

Then Friday, Ft. Pierce enters Pahokee while Riviera visits Seacrest and Forest Hill travels to Stuart. Also that day Clewiston trips to Belle Glade and Lake Worth is at Palm Beach. Vero will host non-league Satellite Beach Friday and play a doubleheader at Florida Air Academy Saturday.

Ft. Pierce crushed previously unbeaten Belle Glade 11-0 and Forest Hill spanked Palm Beach 10-0 Saturday in the past week's featured games. Stuart moved to fourth place with two one-run victories over Clewiston and Pahokee while Riviera's opener was a 10-1 success at Vero's expense. Both Ft. Pierce and Forest Hill won non-counting games on the road to start the week's action Tuesday, and Lake Worth also won that afternoon to give promise that the defending champions won't be pushovers.

The standings:

| | W | L | Pct. |
|---------------|---|---|-------|
| Ft. Pierce | 2 | 0 | 1.000 |
| Forest Hill | 2 | 0 | 1.000 |
| Riviera Beach | 1 | 0 | 1.000 |
| Stuart | 2 | 1 | .667 |
| Belle Glade | 1 | 1 | .500 |
| Vero | 1 | 1 | .500 |
| Clewiston | 1 | 2 | .333 |
| Lake Worth | 0 | 1 | .000 |
| Pahokee | 0 | 1 | .000 |
| Palm Beach | 0 | 1 | .000 |
| Seacrest | 0 | 2 | .000 |

PTA Meeting Planned For Monday Night

The Canal Point Parent-Teachers Association will meet Monday night, April 1, at 8 p. m. in the school auditorium. The program will be presented by Mrs. Ruth Snyder, music director, who will present students from the fifth and sixth grades in exercises showing the contrast between Spanish dances and American folk dances. The president, Mrs. W. E. McCall, will preside over the meeting.

TO ATTEND OES MEETING Mrs. Adeline Wroten, worthy matron, and Mrs. Jennie McKinstry, secretary of the Pahokee Chapter, Order of Eastern Star, will leave Monday to attend the Grand Chapter meeting of the OES at Jacksonville. They plan to stay at the Mayflower Hotel and expect to return to Pahokee on Saturday.

Honors Awarded To Cub Scouts

Skits centered on the theme, "Around the U. S. A." were presented by Dens II, III, IV and the Webelos, at the regular monthly meeting of Cub Pack 623, held Tuesday night, with Cubmaster W. O. Moss in charge.

The meeting was opened with a prayer by the Cubmaster, and the Cubs of Den I led the flag ceremony.

Len Dobrow was awarded the wolf badge, and Larry Moss received a silver arrow.

The honor plaque was awarded to Den IV; the attendance award went to Den III, and the conduct banner to the Webelos.

Cubmaster Moss announced that the Cubs would work on Pinewood Derby cars during April and that Pack night will feature a race between the Dens. The Webelos will work on space craft and will also race on Pack night.

The den mother's meeting will be held April 16, at 4 p. m. at the home of Mrs. Moss, and the Pack meeting will be held April 23, at 7:30 p. m.

The meeting was closed by singing "Goodnight Cub Scouts."

APPRECIATION

We wish to thank the many friends for their kind and thoughtful actions during our recent bereavement. We shall always remember the many deeds of kindness and the encouraging words of those who are our neighbors and friends. It is our sincere hope that you may be blessed for your actions.

THE FAMILY OF
CALVIN C. SPOONER

VISITS HIS PARENTS

Gene Parnell arrived Sunday from Lakeland and is spending this week with his parents, Mr. and Mrs. E. S. Parnell, while on spring vacation from Florida Southern College.

RETURN TO PANAMA CITY

Mr. and Mrs. T. A. Conley and son, Collie, have returned to their home in Panama City following a visit of several days, last week, with their son and daughter-in-law, Mr. and Mrs. Coleman Conley and family at Fort Mayaca.

BIRTHS

Mr. and Mrs. Leland Becton of Tampa announce the birth of an 8 lb., 2 oz. son, on March 27, at a hospital there. This is the second son for the Bectons. Mr. and Mrs. J. C. Blanton of Pahokee are the paternal grandparents.

Philip A. Dulany II, son of Mr. and Mrs. Philip A. Dulany of Belle Glade, was christened, Sunday, during the morning worship service at the Methodist Church in Belle Glade. Among those attending were the paternal grandparents, Mr. and Mrs. John Dulany, formerly of Pahokee; the maternal grandparents, Mr. and Mrs. H. V. Bragg of Belle Glade; and Mr. and Mrs. Dan Carpenter, Mayor and Mrs. Duncan Padgett, and Mrs. C. A. Shive, all of Pahokee.

*"Today we need a nation of Minute Men
citizens who regard the preservation of freedom
as a basic purpose of their daily life"*

—JOHN FITZGERALD KENNEDY

10 days after his inauguration
as the 35th President of the
United States.

Twenty years ago, in the dark, uneasy days before Pearl Harbor, the Minute Man of Concord, timeless symbol of our Nation's determination to defend its freedom, emerged as the emblem of the U. S. Savings Bonds Program. When war came, the Minute Man became the rallying force behind the huge and overwhelmingly successful effort to back our fighting men with War Bonds.

In this, the 20th anniversary year of Savings Bonds, the Minute Man of Concord calls all Americans to an unrelenting effort to help preserve our peace and freedom, threatened by forces more powerful and resourceful than those we faced in 1941. Though this effort will take many forms, one way open to all is the continued investment in Shares in America, U. S. Savings Bonds, by "citizens who regard the preservation of freedom as a basic purpose of their daily life."

BUY U.S. SAVINGS BONDS

For 20 years America's newspapers have published Savings Bonds ads at no cost to the Government. The Treasury Dept. is grateful to The Advertising Council and this newspaper for their patriotic support.

To Lake Region Shippers

In view of the distress caused by the strike of its non-operating labor unions, the Florida East Coast Railway has made every effort to provide what service it can with its supervisory personnel. Although this service was limited at the start of the strike, we are gratified at the progress being made by the supervisory forces in extending it to more and more areas which have been adversely affected.

The Florida East Coast Railway effective April first will amend its embargo to accept shipments of perishables from designated team tracks at South Bay, Belle Glade and Canal Point.

We are pleased to be able to provide this additional service. Although still limited to the extent that we can not switch each individual packing house we hope the service will alleviate the transportation problems of the shippers in this area.

The railway desires to take this means to express its thanks to the shippers and receivers of freight and to the public in the lake territory for their patience during the current work stoppage.

Florida East Coast Railway Co.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{3}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000, and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

Overseas Churches Have 35,509 Baptisms

The 3,783 churches related to Southern Baptist mission work overseas baptized 35,509 persons during 1962, bringing total church membership to 487,943. The baptisms, 1,145 more than for the year before, represent a ratio of one for every 13 church members.

The number of churches increased by 156 during 1962. Contributions through the churches and the 6,850 Baptist chapels overseas amounted to \$4,442,938.42, which is \$821,029.86 more than the year before. Fifty-seven per cent of the churches, or 2,151, were self-supporting.

Sunday schools enrolled 433,379 persons; youth organizations, 137,748; Woman's Missionary Unions, 130,942; Brotherhoods, 6,704; and Vacation Bible schools, 117,063.

This information is recorded in the Southern Baptist Foreign Mission Board's 1962 report, a compilation of figures and facts from the countries and territories where Southern Baptist missionaries serve. The annual report will be presented to the Southern Baptist Convention when it meets in Kansas City, Mo., in May.

The Foreign Mission Board appointed 127 missionaries and re-appointed two during 1962 for a net gain of 79, bringing the staff to 1,627 at the end of the year—678 men, 704 married women, and 225 single women. The Board also employed 11 missionary associates, bringing the number in that special category of overseas personnel to 12.

Direct Distance Dialing Sarasota

SARASOTA—Direct Distance Dialing for telephone users of General Telephone Company of Florida began in the Sarasota area on Sunday, March 17. Residents of Sarasota, Venice, Englewood and North Port Charlotte can now dial their own long distance calls direct.

Present plans call for the new service in the Bradenton area later this year. Several million dollars will be spent in the next few years with the hope of bringing DDD to the entire area served by General of Florida by late 1966.

General Telephone officials announced that over one-and-a-half million dollars were spent in the Sarasota area for the new DDD system.

Mr. and Mrs. Howard Jensen and son, Leonard, of Merritt Island, were weekend guests of his parents, Mr. and Mrs. Ernest Lindrose, Sr.

 8:30 p. m.—Senior Choir practice

Christian Science Group Of Canal Point

Freedom from materiality, bondage of any sort, will be emphasized at Christian Science church services Sunday.

Highlighting the Scriptural selections from the Lesson-Sermon on the subject "Reality" will be this passage: "The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light" (Rom. 13:12).

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this citation will be read: "Perfection underlies reality. Without perfection, nothing is wholly real. All things will continue to disappear, until perfection appears and reality is reached" (p. 353).

Rardin Outvoted On Liquor 4 to 1

An often sought—and just as often voted down request—to change hours for liquor establishments west of 20-mile bend, got a six months reprieve Tuesday from the county commission.

Attorney Zell Davis, representing the Glades Club Inc., located near Pahokee, asked that the hours be changed to conform with operating hours on the east coast. In the past, the western section of the county had its own set of hours—shorter than the coast.

Commissioner Ed Bandlow, Lake Worth, said "no distinction should be made" and he teamed with Commissioner Lake Lytal to change the hours for a six month period.

The entire action was taken without a word from Commissioner Paul Rardin, Canal Point, who in the past has had wide civic support for holding the line on hours of operation.

His only response this week was to vote "no" but he was outnumbered four to one.

ATTEND FAMILY DINNER

Mr. and Mrs. C. A. Stuckey and her brother, Gordon Summerall of Albany, Georgia, attended a family dinner, Sunday, at the home of her son and daughter-in-law, Mr. and Mrs. Curtis Mook and family in West Palm Beach, honoring Mr. Stuckey who was observing the anniversary of his birthday.

APPRECIATION

We wish to express to our friends our thanks for all of the Friendly gestures shown us during the illness and death of our mother and grandmother, Pearl Hudson. Friends mean so much at times like these.

Mr. and Mrs. L. D. Echols And Family.

WCSO MEETING

The regular monthly meeting of the Woman's Society of Christian Service of the Pahokee Methodist Church will be held Monday, April 1, at 8 p. m. at the church. The program, "Dimensions of Prayer" will be presented by Mrs. John Hutton. The president, Mrs. Richard F. Hurt, will preside.

"Route 66" Shoots Scenes In Florida

ST. PETERSBURG—Route 66, the CBS television program, will feature two stories shot on location at Tierra Verde, island development near St. Petersburg.

Martin Miller, star of the program, and the cast have taken up residence at Port-O-Call, Guy Lombardo's motel at Tierra Verde after shooting sequences at Weeki Wachee and the Jai Alai Fronton in Tampa. The crew of 78 persons will be on location until about April 1.

AT CLASS REUNION

Alton Jones and his mother, Mrs. C. B. Jones, spent last weekend in Gainesville where he attended the 25th reunion of his class at the University of Florida, and Mrs. Jones visited her son and daughter-in-law, Mr. and Mrs. D. W. Jones and family.

BACK TO ALABAMA

Mr. and Mrs. Walter Rozelle of Sylacauga, Alabama, returned to their home, Monday, following a visit with his brother and sister-in-law, Mr. and Mrs. Frank Rozelle in Pahokee.

Rev. and Mrs. Thomas C. O'Steen attended a committee meeting of the Methodist Church in Lakeland, this week.

Cancer Sunday Is Planned March 31

On Sunday March 31, churches and congregations throughout Palm Beach County will observe Cancer Sunday which will mark the official opening of this year's annual Cancer Crusade.

Harry Massey, West Palm Beach serving his second year as county crusade chairman, said again this year, the American Cancer Society will emphasize "to cure more, give more" and "fight Cancer with a checkup and a check."

Massey pointed out that while it is now possible to save at least one out of two of those who develop cancer, only one of three is being saved.

Because of the unnecessary loss of life, he said, "the first goal of the 1963 Crusade will be to get more people to doctors in time for early treatment. An annual health checkup is a person's best protection against death from cancer."

Second goal of the 1963 Crusade, Massey explained, "will be more much needed money for research. Only through research can we hope eventually to save the one half of those who develop cancer who can not now be saved. New knowledge of cancer is piling up at a rapid rate."

"Contributions to the 1963 Crusade will pay dividends in the future," Massey said. It is gratifying that the 1962 Crusade, with contributions exceeding \$39,000,000 nationally, was our best Crusade in history. I believe the people of Palm Beach County will give more in 1963 to cure more."

Massey estimated that more than 1,000 volunteers will be taking part in the county crusade this year.

Samilee Jo Lanham To Wed H. Latham

Mr. and Mrs. Gilbert L. Lanham of Canal Point announce the engagement and approaching marriage of their daughter, Miss Samilee Jo Lanham, to Homer Latham, son of Mr. and Mrs. James D. Latham, Sr., also of Canal Point.

Miss Lanham is a graduate of Pahokee High School, class of 1960, is a graduate of Charron-Williams Business College, and attended Dade County Junior College in Miami. She is presently employed by the Florida State Racing Commission at Miami.

Mr. Latham is a 1956 graduate of Pahokee High School, he served two years in the U. S. Army, and is currently associated with Florida Power and Light Company at Fort Pierce.

The wedding date has been set for Friday, April 5, and will take place at the Canal Point Methodist Church at 8 p. m. with the pastor, Rev. Robert A. Shelley, officiating.

No formal invitations have been issued locally, but all friends of the couple are invited to the wedding, and to the reception which will be held at the home of the bride's parents following the ceremony.

Local Youth Changes From Plane To Bus

Following 18 months of overseas duty at Okinawa, Airman Wayne Browning, son of Mr. and Mrs. Floyd Browning in Canal Point, arrived home Saturday and is spending his leave here. Following his leave, Airman Browning will be stationed at MacDill Field, Tampa.

Last week Wayne was a passenger on the MATS Transport plane across the Pacific when two engines on one side went out. The plane was almost half-way between Hawaii and the west coast of the United States when the engines went out.

The pilot returned the plane to Hawaii and when he landed it at Hickman Field the third engine went out. A few days later Wayne arrived on the West Coast and how do you suppose he completed his trip to Canal Point? By bus!

Lions To Sponsor Little League Team

The Canal Point Lions Club will sponsor one of the Little League teams. The boys are to start playing the first Monday night in May.

The Lions Club still hopes to have a diamond in Canal Point so the boys in this vicinity can practice. Mr. Hooks will support the Canal Point team and spend two hours per day with the boys while they practice. The uniforms for the Canal Point boys will be cream and white to match the school colors.

Cadet Tom Knight Honored At GMA

Cadet Tom Knight, junior class student at Georgia Military Academy, College Park, Georgia, the son of Mr. and Mrs. Thurmond W. Knight, 355 Evergreen Drive, Lake Park, Florida, has recently won the 1963 Georgia state championship in the "over 16 age group" for the "Side-horse" in Gymnastics.

This is Tom's second year at G. M. A. He takes part in the various activities of the school, and is head drummer in the band.

Garden Club Hears Mrs. W. S. Evans

Mrs. W. S. Evans presented the program at the meeting of the Canal Point Garden Club, held at the home of Mrs. J. E. Williams, March 21, with the president, Mrs. Glenn Powell, presiding. Mrs. Evans told of her trip to Hawaii, last summer, and illustrated her talk with colored slides.

Mrs. J. H. Miller was named chairman of the nominating committee to secure a slate of officers for the coming year. Others on the committee are Mrs. O. H. Sheppard and Mrs. C. B. Jones.

It was announced that the April meeting will be held at the home of Mrs. Robert A. Shelley.

WMU MEET APRIL 2

The April meeting of the Pahokee Woman's Missionary Union of the First Baptist Church will be held Tuesday, April 2, at 9:30 a. m. at the church. Mrs. Guthrie Colvard, program chairman, will be in charge of the program on the Philippines and Mrs. Claude Shirley, Sr. will preside over the business session.

Mike Maxson Hurt In School Mishap

Mike Maxson, son of Mr. and Mrs. Earl Maxson of Canal Point, suffered head injuries Monday afternoon on the school ground in Pahokee and was taken to a West Palm Beach hospital for examination and emergency treatment. He was returned to his home in Canal Point on Tuesday and is getting along fairly well.

APPRECIATION

I wish to extend my sincere thanks to everyone for their prayers, cards and visits during my recent stay in the hospital and especially to Dr. Gist and to the staff of the Everglades Memorial Hospital for their kindness and wonderful treatment.

ANNE GEIGER

Mr. and Mrs. Lewis M. Collins, Jr. of St. Petersburg visited his parents, Mr. and Mrs. Minter Collins in Pahokee, last weekend.
